

BrainLove School Program Organizer

Supplies:

- Safety First Brain Injury Prevention unit binder
- Lesson three cause and effect posters
- Lesson four Canadian Food Guide chart
- Lesson twelve Brain Injury Awareness Month poster for the viewing activity
- Helmet (used for a class draw)
- Education pamphlets/brochures to hand out to students (should be 80 pamphlets/brochures each)
- Glenda James Executive Director contact information
- USB Stick, includes electronic copies of the whole program

Before passing the box on, please organize the bin and ensure everything is there for the next teacher to use! If

you are missing supplies contact Glenda James,
