

Helmet Up!

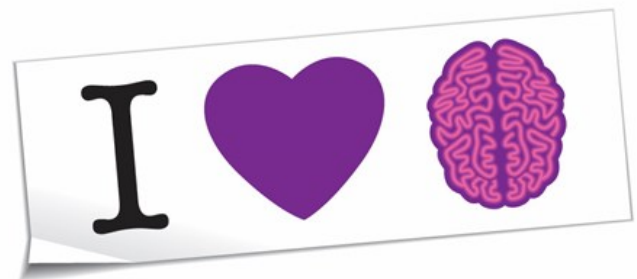

Wear A Helmet Day

Our school is participating in the “Wear a Helmet Day” School Campaign!

Funds raised through the “Wear a Helmet Day” School Campaign stay in our region to fund programs and events that offer support to brain injury survivors and their families. As well, the funds support education and awareness campaigns in an effort to prevent brain injuries. The “Wear a Helmet Day” School Campaign is a BrainLove Program.

Because our school participated in a Lesson/Activity from the Manual & submitted pledges, we will receive a couple of [Helmets to give away!](#)

Congratulations on organizing a “Wear a Helmet Day” School Campaign!
